Hi Grant and Alyssa,

The R3 UIC program is meeting with the Seneca Nation again tomorrow to discuss the Catalyst Energy draft permit. We had our initial meeting back in April. This is just an informal follow-up just for them to get a little more information. Please attend if you'd like! The draft permit, statement of basis and all application materials can be found on our website at <https://www.epa.gov/pa/underground-injection-control-uic-program-notice-draft-permit-catalyst-energy-inc-pas2d015bmck>.
